

Thursday, May 28th 12:00 – 7:00pm
 Kootenay Arena – Rocky Mountain House Recreation Centre

ConocoPhillips, EnCana, Alberta Sustainable Resource Development, and TransCanada are hosting the 4th Annual Community Safety Day on May 28th at the Kootenay Arena in Rocky Mountain House. We'd like to thank, and welcome, those of you who contributed in the past and look forward to new participants this year. We were very pleased with the success of the event and the participation from various organizations that shared their safety messages with the community. We look forward to building on that success this year and would like to extend an invitation to you/your organization to be a part of the safety day event.

Our commitment to safety extends beyond our workplace, affecting all aspects of our lives. The theme of our event continues to be "Practice Safety at Work, Home and Play". We are actively promoting this event throughout the community and engaging our schools.

This year we will be holding the event indoors at the Kootenay Arena. Booth sizes can vary depending on your requirements, please indicate your desired booth size when registering. For more information or if you have any questions please contact Candace Diamond, at 403-846-6611.

To join us please R.S.V.P. on or before April 20, 2009 by filling out the online registration form at www.safetyday.ca or by returning this registration form to:
